National Policy Reminder

Noting activities of new and/or established chapters generating logos, T-shirts, badges, banners, license plates, etc. — a review of FCA policy concerning these items of chapter identification is as follows:

F.C.A. Rules for "FORMATION OF CHAPTERS" in Section A (Formation), Item 2: "A charter chapter shall use only the name designated in its charter. The name of the new chapter shall be listed as : The _____ Chapter of the Falcon Club of America."

Please do not overlook this policy when generating your artwork to identify your chapter. Questions should be addressed to FCA Officers or Directors.

President's Message

It's February already and we still have much to do in preparing for the 1993 National Meet in Knoxville. We have some interest toward chapters forming in the Knoxville and Nashville areas. Hopefully that will happen. According to Steve Springer, our Chapter Coordinator, we have several other chapters about to be formed.

We have several Regional Meets planned across the country. If one is close to you, try to attend, especially if you haven't attended one before. Falcon people are super and I'm sure you would enjoy yourself.

The vendors that advertise in our FCA Newsletter are spending a lot of time and effort to reproduce many nice parts for our Falcons. When ordering parts, mention that you are a member of the FCA and that you saw their ad in the Newsletter.

Keep an eye on the club store. Bonnie has new items monthly and also monthly specials. She is doing a fantastic job at running the Club Store.

FCA President

Chapter News

- The *Suncoast Chapter* held its Christmas meeting hosted by Joe and Wanda Stowe in Lakeland, FL, on Dec. 12. Plans were discussed about the upcoming Regional Meet next May, and afterward election of officers for the coming year was held. The members in attendance all brought food to share after the meeting ended.

The *Mid America Chapter's* December meeting was a Christmas party held in Lenexa, KS. Following the potluck meal was a short business meeting and then a Chinese grab bag gift exchange. It seemed like some items went around the room several times before someone finally ended up with a present. Rick Dilks was very surprised to see Les Lyons open a Rotunda tach that came out of the men's pile of gifts which had a \$5.00 limit. Several members are planning to help repair bicycles for the Bikes for Tykes program so the bikes can be given to children that do not have them. Plans are being readied for a Spring Regional in Kansas City on June 18 and 19, 1993. Mark your calendars now.

Twenty-seven adults and three children attended the Christmas party held in December by the *Carolinas Chapter*. Everyone participated in a gift exchange. The chapter has volunteered to help in providing security at the 1993 Nationals being held in Knoxville, TN.

The *Mile Hi Chapter* had a terrific and busy year with many outings and events. During the fall a large group caravanned to the Air Force Academy for brunch at the NCO Club followed by the annual Skill Driving Challenge. The annual "all-club birthday party" and election of officers were held in November at the new Phil Long Ford Agency, and afterward the group was given a tour of the large, newly opened facility. In December the annual Christmas party was held with President Ron Brown presenting awards to deserving chapter members. Installation of officers was also held. The year finished with nearly 60 families in the membership, the most since the chapter was formed in 1985.

The *Mason Dixon Chapter* had a very busy year filled with good things to do with their Falcons. Some of these events included participating in the Regional Meet at Valley Forge and the Car Show in Havre de Grace, and attending a fall potluck picnic. They are looking forward to 1993 which will mark their chapter's 10th anniversary.

A Christmas party with a Chinese gift exchange was held in December by the *Lone Star Chapter*. Everyone enjoyed the potluck dinner.

❖ Notice to All FCA Members ❖

- The U.S. government will soon make it mandatory that all address labels carry the nine-digit zip code. Please look at your mailing label on this issue of *The Falcon Bulletin* to see if we have yours. If only the five-digit zip code appears, contact your local postal authorities for the last four numbers of your zip code. Then send them to The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72076-0113. Using the nine-digit zip code will speed up your mail service according to the Post Office.

Vice President's Message

Six months until "Tennessee in '93"! Are you planning to be there? From all indications, this convention will be the largest ever in the history of the FCA. If by chance you have never attended a National, how about making this your first? Attend this one and you won't want to miss another. That's a promise from all of your Falcon family.

Our hotel contract revisions have been finalized and signed. Thanks to Elizabeth Haws for all the friendly cooperation and understanding! This facility (Hyatt Regency Knoxville) is really excited about hosting this convention and promised to make it a pleasurable experience for all in attendance. Thanks to Russ Hoeksema and Don Anderson for making the trip to Knoxville and finding the ideal location and environment! That is dedication to the FCA and to you!!!

Volunteer positions are nearly filled, but there are still things that will require your help. Don Anderson reports he is accepting volunteers for security, so please contact him if you can stand guard over all those beautiful Falcons for a few hours. This is a critical area and one of great concern to all who attend. The Mile Hi Chapter has graciously accepted the responsibility of being our "stand-by" chapter. They will be in position to help the other chapters wherever needed to keep everything running smoothly for you. You will always be in capable hands! The Lone Star Chapter will be responsible for the hospitality room, your early morning coffee and donuts and that friendly smile you may need before going out to dust off your car and visit with new-found friends. Texas Hospitality!!!!

Charles Digiacomio is pursuing a cash sponsor; the first of the year should bring good news on this. He is also in contact with Ford Motorsport and others for door prizes. If your chapter can collect door prizes and goody bag stuffers, please send them to Charley. Bob Passino has also offered to help in this activity, so please contact one of them for this very important feature of a National Convention. The Mid America Chapter will be responsible for laying out the show area and getting all the Falcons parked according to category and class. Phil Warren, our able photographer, will be there to get just the right picture of you or your pride and joy. Jimmie Throgmorton will keep the video rolling in the show area and during the banquet and awards ceremony.

Our founder, Roy Sword, is healing nicely and promises to be there, God willing. That means the pretty half of the Swords will be there also. They have both given so much of themselves to this club. Please, when you see either one, thank them for what we are and what we can become in the future.

We made an offering to 14 Falcon parts vendors for T-shirt ads. The offering was that for a \$250 donation their logo would be printed on the back of the nation T-shirt and free spaces would be provided for setup during the convention. Four business have responded to date, but we still need three or four more to meet the financial requirements for getting the shirts printed. Do you know of any vendors, businesses or remanufacturers that would be willing to participate in this offering? The artwork for the shirts is nearly

complete and I'll let you in on a little secret — these will be the most colorful, most collectible shirts we've ever had for a National Convention. Thanks to the four companies that think enough of the FCA to contribute to our cause: Dennis Carpenter Reproductions, Obsolete Ford Parts Co., Melvin's Classic Ford Parts, and Original Falcon Interiors. As FCA members, we all need to take the time to thank these businesses for their continuing support.

Several steps have been taken to help avoid confusion in classification and voting at the convention. The vehicle ID cards that you place on your windshield will be color-coded by category — canary yellow for the Street Driven Category; sky blue for the Stock Category; pink for the Modified Category; gold for the Concours Category; and white for Display only. The voting ballots will be by individual category and will be the same color as the vehicle ID card (blue ballot - blue ID card, etc.). To make it even easier, there will be four ballot boxes, each colored according to category. At the close of the voting, 1:30 p.m., Saturday, August 14, we will need 13 members who can keep a secret, to count the ballots and formalize the results for trophy presentation during the banquet. I would like to see a good mix of chapter representation for this serious job. If you wish to volunteer, please contact me as early as possible. The counting will be done immediately following the annual business meeting.

In closing, and this cannot be overstated, this is your convention. Please plan to attend and participate in this 14th celebration of the founding of the Falcon Club of America.

Love Ya All,
Marty

1965 Falcon Sprint convertible for restoration project. Any restorable condition accepted. Rouben Kibinian, 19915 Eagle Ridge Lane, Northridge, CA 91326. 818/831-7710.

When my husband, Mark, took his beat-up, battle-scarred pickup truck to our insurance agent for a pre-insurance inspection, the teen-age receptionist was sent to look over the truck. Armed with a checklist and a few simple questions, she breezed through the chore.

When she asked, "What are the age and make of the vehicle?" Mark replied, "It's a '65 Ford." Apologetic about its desperate condition, he added, "It's an old fossil."

Inside the office assistant entered the data into her computer and frowned. "Is there a problem?" asked Mark.

"Mr. Evans, I've been in insurance awhile," she explained, "but I've never heard of a Ford Fossil."
